

A photograph showing two men in safety gear (hard hats and high-visibility vests) standing on a newly laid brick parking lot. The bricks are dark grey and laid in a pattern. In the background, there is a dirt embankment with green stakes, trees, and a building. The sky is blue with some clouds.

Brick by Brick

Dieter Schwaenen, project engineer, and George Van Cook, resident engineer, both of Europe District's Wiesbaden Resident Office conduct a quality assurance check on a newly laid brick parking lot for a Child Development Center. Once complete, the center will provide 300 additional spaces for children in the Wiesbaden community.
